

Year 11 Jindabyne Camp 2021

Dear Students, Parents and Carers,

For more than 30 years, Year 11 students at Burwood GHS have enjoyed participating in the Year 11 Camp held at **Jindabyne Sport and Recreation Centre**. The school has a long association with the centre and continues to be rewarded with camp dates at the peak of the winter season. Students, parents and staff have always responded very positively to this camp and the school intends to continue to offer this opportunity to Year 11 students in 2021.

The Camp Program for Year 11 students at Jindabyne has a focus on self-reliance, goal setting, communication and decision making, in an exhilarating physical environment. Each morning students are engaged in ski or snowboarding lessons with qualified instructors and spend the rest of the day practising their skills on the mountain slopes. All transport and meals are provided throughout the day, and students are supervised and accompanied by the centre staff and Burwood teachers. Evening activities are well structured and allow students to participate in a range of challenges after the day's physical activities. Accommodation is provided in modern and secure lodges with good facilities.

The Year 11 Jindabyne Camp is a unique and rewarding experience for students who will remember it as a highlight of their time at Burwood Girls High School.

Date: Students will depart on Sunday 8 August 2021. The duration of the camp is for a six-day period during **Week 5 of Term 3**, with students returning to school in the afternoon of Friday 13 August.
