President's report - Kara

A very successful Democracy Sausage Sizzle was held on Saturday 14th October.

We had 20 volunteers help on the day. The sign up sheet was filled a week before - making my stress levels very low.

We sold 270 sausages and rolls, 52 drinks, raffle tickets and many cakes and baked goods.

Thank you to our 20 volunteers who did everything from cooking sausages, cutting rolls, serving, buying ice, buying bread rolls, doing an emergency dash for onions (apparently we are more generous than most!), setting up iPads (thanks Chiara and KT), selling raffle tickets, cleaning bbqs (Euan), washing up (Magda) and so on.

There were less voters than usual, down a third from 2 elections ago, which we think is due to early voting.

Special thank you to all of the people who donated cakes, chocolate cupcakes, muffins, donuts, ginger slice, lemon slice, lollys on skewers, (Thanks Karen), fudge (Thanks Bryony) lolly bags, banana bread and so on. Ling (mother of Chanel in Year 7) donated beautifully curated cupcakes with spiders and pumpkins on them that were a total hit.

Our profit was \$1155.89 Community spirit was priceless.

Thank you to Julia for opening the hall at 7am and coming back to lock the hall at 3pm.

Notes and photos are on the P&C drive for the lucky person running the next Democracy Sausage Sizzle.

Mental Health First Aid - fully booked with wait list.

P&C funded parent webinars update - Cat/Jen

Jen has spoken to a provider - The Sleep Connection - a program that improves students sleep.

Lisa from the Sleep Connection has been very pro active in contacting the school and has spoken to Voulla about the program too.

We think it might be something that is better implemented by the school with some P&C funding but haven't talked details yet.

Next step is for Jen and I to meet with Voulla and make a plan/ make sure we are all on the same page.

Action: Cat to set up meeting with Voulla.

Gardening Bee / Working Bee

Action: Kara to follow up with Luke.

ADHD Awareness Month - Cat

October is ADHD awareness month

Lots of new research around ADHD in the last decade means that we understand a lot more about it.

But there are still lots of misconceptions and there is a long way to go.

We're lucky to have an excellent support and wellbeing team at Burwood Girls - but I think there is an opportunity to increase awareness about ADHD

Here are two comments from my Y8 kids most recent report:

"Grace needs to focus on improving their productivity"

"Grace needs to work more effectively in class"

Not very helpful comments to a kid with ADHD.

Matilda Boseley, a Guardian Australia journalist and author of the Book, The year I met my brain writes:

"The most impairing, difficult and life-altering thing about ADHD isn't what it does to your brain - it's what it does to your self esteem."

Opportunity to do something around ADHD awareness month - perhaps hold a screening of an ADHD documentary or ask some ADHD students to do a presentation or even make some instagram posts.

Resposence: Neurodiversity club coming soon. Julia/ Kathy to remind teachers about language when report writing.
