

Mini Mind Matters

The BGHS Mini Mind Matters team is a co-curricular group available for students in Years 9-11. The group aims to support wellbeing in our school community, with a focus on promoting positive mental health and connectedness so that all students can connect, succeed and thrive. The Mini Mind Matters team is responsible for the organisation of whole-school events and campaigns such as RUOK Day, Look Up Day, Mental Health Month and many more. The team creates new initiatives and activities to implement throughout the school year. Students also have the opportunity to act as leaders in this field, representing the school at community events.

The Mini Mind Matters team is coordinated by Ms Dwyer, Ms Welsh and Ms Kalogeropoulos. In 2020, the Mini Mind Matters team meets every second Tuesday at recess in P1 (meetings may be more frequent in the lead-up to big events).

The code for our Google Classroom is **z6nvpee**.
