

## Tiddas

Tiddas is an Australian Aboriginal word used in Northern Australia meaning sisters. Our Tiddas group at BGHS is comprised of Aboriginal and Torres Strait Islander students and their peers. Our mission is to promote Indigenous culture, and cultural literacy amongst the students at Burwood Girls. In addition, we provide opportunities for our Aboriginal and Torres Strait Islander students to participate in cultural activities within and outside of school.

The Tiddas group is coordinated by Mr Butler, and has scheduled meetings twice a term, with additional events organised for NAIDOC Week, and Reconciliation Week. Meeting times are posted for students on Sentral.
