

True Colours

True Colours is Burwood Girls' LGBTIA+ support group for rainbow youth and allies. The group is a safe space for all LGBTIA+ students and allies; a place for them to share their experiences and hear those of others. Our senior leaders answer questions and offer excellent advice about the issues that affect the LGBTIA+ community.

As well as supporting each other, True Colours organises whole school celebrations throughout the year, such as Wear it Purple and IDAHOBIT. The group meets at lunch on Friday of Week B in room 11.
